

Tired of seeing our historic buildings torn down? Want to know more about historic preservation?

Then join Lee Trust!

Lee Trust for Historic Preservation, Inc. is a nonprofit and nonregulatory organization formed to promote preservation and assist our community when historic resources are threatened. Our funding sources include membership dues, corporate and private gifts, government and foundation grants, and monies collected from various fundraising events organized by our volunteers. These funds are deposited into our revolving fund which is used to purchase threatened properties, stabilize them, and sell them to owners that are willing to continue our preservation efforts.

Our members are the lifeblood of our organization. We hope that you will become a member of Lee Trust, to help us continue our efforts to preserve our heritage. Your membership is important to us.

Please use our membership form when sending in your dues, even if you are a renewing member. For more information about Membership contact Gina Taylor at LeePreservation@embarqmail.com or (239) 939-PAST.
